Questions to ask if your child is struggling:

1. What skills should my child have mastered at this point?
2. Is he or she on target? If not, where does my child need the most help?
3. What can I do to help?
4. What is the school doing to help?
5. When can we meet again to discuss progress?

For parents of Elementary and Pre-school children:

- * Read to your child EVERY day.
- * Make it the BEST part of the day.
- * This will start them on the road to becoming LIFE LONG LEARNERS.
