

The turning point is here!

JUNIORS

List to get you on track.....

- Continue to participate in activities and organizations in and out of school
 - Keep track of your activities, organization and volunteer work, as well as, how much time you spend doing them
 - Keep track of awards and accomplishments
 - Learn about college and what they offer
 - Register to take a college entrance exam (ACT, SAT, TSI)
 - Make a file to keep information about college and testing requirements
 - Visit Colleges online and in person if possible
 - Apply for any scholarships for juniors
 - Explore summer opportunities for jobs, internships, or volunteer work
 - Create your resume
- Review upcoming application essay
- Ask questions
